The Board, however, reserve to themselves the right of altering these dates should circumstances render it expedient to do so.

The following are the Conditions of Sale :—

1. The Opium will be sold for exportation by Sea only, and no Certificate will be granted except to cover such export.

2. The Opium will be ordinarily offered for sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12 of these Conditions of Sale.

3. The Sale shall commence at the hour of 11 A. M. of the day fixed by previous Notification, and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertised for sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on, until the whole of the remaining lots are disposed of, or, if the whole quantity advertised shall not be sold on the day appointed, the Board may dispose of the lots which remain on hand at a future Sale.

4. Each lot shall contain five Chests.

5. A Promissory Note for a sum calculated

	Deposit.	according to the

And so on, Rs. 100 being added to the Deposit for every additional Rs. 400 bid.		

before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office by Bank of Bengal Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock in the afternoon of the fifth day after the Sale, or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Bank of Bengal Receipts, or deposit of other Public

Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale, as the Board of Revenue shall see fit, and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of sale under the last mentioned condition, if remaining unredeemed at 4 o'clock of the fifth day following the day of Sale, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7. No tender of Money, Bank of Bengal Receipts, or Public Securities, on account of Opium, upon which the prescribed Deposit may not have been made before 4 o'clock of the fifth day following the day of Sale, will be afterwards accepted.

8. The Opium now advertised for sale shall be paid for within fifteen clear days from the day of Sale, and in case any lots of such Opium shall not be so paid for and adjusted, then the Cash Deposit made under the fifth Condition, or any Public Securities that may have been deposited on account of such lots or Chests, shall be forfeited, and the Opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order; and it is to be clearly understood that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10. No deposit of Public Securities under the fifth of the present Conditions will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The Receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when payment in full has been made by the said Purchaser or his Order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time a Deposit either in Government of India Notes, Bank of Bengal Receipts, or Government Securities, a sum equal to the amount for which a Promissory Note would otherwise be taken under the fifth of these Conditions.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time

during the Sale to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bona fide* bidder for a lot, after it has been offered for sale in mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees specified in the second of these Conditions.

13. The Purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same Conditions any number of lots of the same Agency Opium not exceeding altogether twenty-five lots; provided always, that there remain a sufficient number of lots of the Opium to complete the said twenty-five.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

15. The following papers, together with samples of the Opium for sale, will be exhibited for inspection on the day of sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1.—Certificate of the Opium advertized for sale.

No. 2.—Report of the examination of such Opium.

16. The Public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1862-63 the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.* two of the Season's provision under sale, and two of the previous Season, will be also shown to the Purchasers in the Sale Rooms on the day of Sale, to enable them to judge of the state of preservation of the drug in the Chests offered for sale.

17. Any further information respecting weight or quality of the Opium advertized for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but, in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the sale and delivery of the Opium for shipment.

18. It is hereby further notified, that, under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand, that out of the quantities of Behar and Benares Opium declared as above for sale at the twelve Sales of the year 1864, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisitions specifying the quantity of Opium required by them at any particular Sale within thirty days from the advertisement of such intended Sale; provided, however, that the Agents of the French Government may make such requisition for the whole quantity within thirty days from the publication of this Notification. If the Agents of the French Government shall not make the requisition for

	Chests.	Opium within the time above mentioned, the entire quantity of about

to sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for sale at each or any of the twelve Sales above mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the sale next ensuing the date of payment, or by selling it at a sale to be held expressly for the purpose.

Article of the Convention above referred to.

Article 6th.—“With regard to the Trade in Opium, it is agreed between the High Contracting Parties that at each of the periodical Sales of that Article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests hereinbefore mentioned. The requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta within thirty days after notice of the intended Sales shall have been published in the *Government Gazette*.”

THE following Bill was read in the Council of the Lieutenant-Governor of Bengal for the purpose of making Laws and Regulations on the 21st November 1863, and was referred to a Select Committee who are to report thereon after the 25th of December next:—

A Bill for the regulation of Jails and the enforcement of discipline therein.

WHEREAS it is expedient that the Laws relating to Jails should be consolidated and amended; It is enacted as follows:—

I. From and after the date on which this Act shall come into operation, Sections XX, XXI, and XXV of Regulation IX of 1793; and so much of Section LXIII of the same Regulation as relates to reports to be made by Sessions Judges on the conduct of Magistrates in matters connected with Jail discipline; Sections I, II, III, IV, V, VI, VII, VIII, X, XI, XII, XIII, and XIV of Regulation XIV of 1816; so much of Clauses 2, 3, 4, 5, 6, and 7 of Section VII of Regulation XVII of 1816 as relates to the appointment of Jailors and persons employed in Jails, and Clauses 4 and 5 of Section XVII, and Sections XVIII and XX, of the same Regulation; Regulation III of 1826; Section VII of Regulation II of 1834; so much of Section IV of Act XXIV of 1837 as relates to the appointment of Jailors and persons employed in Jails, and Section VII of the same Regulation; Section VIII of Act XXIII of 1840, and Act XVIII of 1844;—so far as they relate to the Bengal Division of the Presidency of Fort William—shall respectively be repealed, except so far as they repeal the whole, or part of any other Regulation or Act.

II. The following words and expressions in this Act shall have the meanings hereby assigned to them, unless there be something in the context repugnant to such construction, that is say,—

The word "Magistrate" shall include all persons exercising all or any of the powers of a Magistrate.

The word "District" shall mean the local jurisdiction of a principal Civil and Criminal Court; and the words "Division of a District" shall mean that part of a District of which charge is vested in a Magistrate other than the Magistrate of a District.

Words importing the masculine gender shall include the feminine, and words importing the singular number shall include the plural.

III. From and after the date on which this Act shall come into operation there shall be maintained in every District of Bengal and in such other places as the Government shall appoint, a Jail, hereinafter called

the Civil Jail, for the custody of persons committed to prison by the Civil or Revenue Courts, and a Jail, hereinafter called the Criminal Jail, for the confinement of persons otherwise lawfully in custody; and in every division of a district the Government shall appoint a place, hereinafter called the Sub-Divisional Jail, for the confinement of any persons lawfully in custody.

IV. In such places as the Government shall appoint there shall be maintained Jails, hereinafter called Central Jails, for the confinement of such persons sentenced by any Court of Criminal jurisdiction as the Government may declare to be proper subjects for such confinement.

V. It shall not be lawful, without the authority of the Government, to confine persons committed by a Civil or Revenue Court in the Criminal Jail, or in the Central Jail, nor shall persons under the sentence of a Criminal Court be confined in the Civil Jail. Provided always that any Civil and Criminal Jails may be comprised within the limits of the same building.

VI. The Civil and Criminal Jail in every district shall be under the charge of the Magistrate of the district, or of any Officer exercising any of the powers of a Magistrate to whom the Magistrate may temporarily make over such charge, unless the Government shall appoint some other Officer to the charge thereof; and every Sub-Divisional Jail shall be under the charge of such Officer, exercising all or any of the powers of a Magistrate, as the Government shall appoint.

VII. Every Central Jail shall be under the charge of a Superintendent to be appointed by the Government, and such Superintendent may be vested with the powers of a Magistrate to be exercised within the Jail.

VIII. It shall be lawful for the Government of Bengal to appoint an Officer to be called the Inspector General of Jails, who shall, subject to such Rules as may be made by the Government in the manner hereinafter provided, exercise a general supervision over the treatment, behaviour, and condition of all prisoners, and shall superintend the carrying out of all the orders of Government in reference to Jails and places of confinement.

IX. The Inspector General of Jails may be vested with the powers of a Magistrate as defined in Section XVI of the Code of Criminal Procedure, for the trial and punishment of any offence committed in any Jail, and the procedure for such trial shall be that prescribed by the said Code in so far as the same may be applicable.

X. The Inspector General of Jails shall have authority to call for and inspect all books, papers, and correspondence relating to any Jail. All Police Officers shall at all times render to the Inspector General of Jails such assistance as he may require in the course of his public duty, or in enforcing the orders of Government.

XI. The Inspector General of Jails with the sanction of Government may authorize the release of persons from the Civil Jail on the ground of bodily infirmity, and an order of release signed by a Secretary to the Government of Bengal shall be sufficient warrant to the Jailer.

XII. It shall be lawful for the Government to appoint a Deputy Inspector General of Jails who, in reference to any Jail or number of Jails to be fixed by the Government, may be vested with all or any of the powers of the Inspector General of Jails.

XIII. The Magistrate or other person in charge of a Civil or Criminal Jail shall, subject to the sanction of the Inspector General of Jails, appoint a Jailer, who shall be the Officer having authority to receive and keep persons committed to prison, and he shall be responsible for the safe custody of all prisoners from the time when they shall be received into the Jail until the time of their discharge by lawful authority.

XIV. No Jailer of a Civil or Criminal Jail shall receive any prisoner into his custody without the warrant of a Court or Officer having authority to commit to prison. When the sentence has been fully executed and the prisoner is about to be discharged, the Jailer shall endorse upon the warrant a statement of its having been fully executed, and shall return the warrant so endorsed to the Officer from whom he received it. If any prisoner shall die in Jail before the full execution of the sentence, or shall be legally removed to another Jail, or shall be released, the warrant shall in every such case be returned to the Officer who issued it, with an endorsement stating the facts as they have occurred.

XV. The Jailer shall discharge all prisoners in presence of the Magistrate or other Officer in charge of the Jail, unless the Government shall otherwise direct.

XVI. Whenever it shall appear to the Government that the number of prisoners under order of confinement in any Jail is greater than can conveniently or safely be accommodated within such Jail, or whenever any epidemic disease may make its appearance within the Jail, it shall be lawful for the Magistrate or other person in charge of a Jail to provide, in such manner as the Government may order, for the temporary shelter and safe custody outside the Jail of the prisoners who are in excess of the greatest number who can be conveniently or safely kept in the Jail, or who would be at the risk of suffering from such disease. Prisoners for whom such temporary shelter may be provided shall be subject to the same Rules as if they were still confined within the Jail, except so far as such Rules may be inapplicable from the change in the place of confinement, and shall be still in the legal custody of the Jailer.

XVII. Whenever any sentence of a Court Martial shall adjudge imprisonment, or imprisonment with labor for any offence, it shall be the duty of every Magistrate or other Officer in charge of any Jail to give effect to such sentence on the offender being delivered into his custody, and on being furnished with a copy of the sentence by the Officer Commanding the Division, Garrison, Regiment, or Detachment, as the case may be, to which the offender belongs.

XVIII. All property or money delivered with, or found upon the person of a prisoner in a Criminal Jail or place of confinement on his admission, shall be taken charge of by the Magistrate under such Rules for its safe custody as the Government may prescribe, during such prisoner's term of imprisonment, and the prisoner shall have no claim thereto until his discharge.

XIX. Prisoners committed for trial shall be kept apart from convicted prisoners, and males from females, and all prisoners in any Jail or place of confinement shall be classified and kept in separate confinement as the Government may from time to time direct, or under such Rules as the Government may, under the provisions of Section XX of this Act, prescribe.

XX. The Government may from time to time make such Rules for the supervision, employment, and treatment of prisoners, and such Rules for prison discipline and for the safe custody and good order of prisoners in transit from one Jail or place of confinement to another, as may appear necessary.

XXI. It shall be lawful for the Magistrate or other person in charge of a Jail to place fetters at any time on all prisoners sentenced to any of the following punishments, that is to say: Death, Transportation, Penal Servitude, Rigorous Imprisonment, and also to place fetters on all prisoners of any class for purposes of safe custody.

XXII. It shall be lawful for the Magistrate or other person in charge of a Jail or place of confinement, to inquire into all breaches of discipline, the Rules that may be made under Section XX of this Act, and to punish all prisoners guilty of disobedience, or violent or refractory conduct, or of using insolent language, or of refusing or wilfully neglecting to perform the work, or wilfully mismanaging the work allotted to them, or of wilfully disabling themselves for labor, or of breach of any of the said Rules, by solitary confinement which shall not extend beyond three days, separate confinement for not more than seven days, or confinement in irons for periods not exceeding four days, or by corporal punishment not exceeding thirty stripes of a rattan. Provided always that no corporal punishment shall ever be inflicted on any female prisoner, or on any prisoner except in presence of a Magistrate and a Medical Officer of the Government.

XXIII. The Magistrate or other person in charge of a Jail or place of confinement shall keep a book in which he shall record all cases disposed of by him under the last preceding Section, stating the charge made against the prisoner, the manner in which the charge was supported by evidence, and the order made by him in the case. And no prisoner who has been punished by the Magistrate or other person in charge of the Jail or place of confinement for breach of discipline, shall be punished in any other way or by any other authority for the same offence. Provided that nothing in this or in the preceding Section shall be held to prevent a Magistrate or other person in charge of a Jail from committing any prisoner for trial before the Magistrate and the Sessions Court, whenever such prisoner shall have been guilty of an offence for which the punishment authorized to be inflicted under this Act may appear inadequate.

XXIV. All persons employed within any Jail or place of confinement or in the custody of prisoners, shall be subject to such Rules as may be made by the Government for their good order and discipline and for regulating communication with the prisoners, and it shall be lawful for the Government to affix fines as penalties for the breach of any such Rules, provided that no such penalty shall exceed fifty Rupees. Copies of such Rules shall be exhibited in some place to which all persons employed within the Jail or place of confinement or in the custody of prisoners have access, and the Magistrate or Officer in charge of the Jail or place of confinement shall have authority to punish persons offending against such Rules.

XXV. Whoever, being a prisoner in confinement in any Civil Jail, or arrested under Sections 285 or 306 of the Code of Criminal Procedure, shall escape or attempt to escape, shall be held to have committed an offence within the meaning of Section 224 of the Indian Penal Code.

XXVI. Whoever being employed in any Jail or in the custody of prisoners, intentionally suffers any such prisoners as are in the last preceding Section mentioned to escape, or intentionally aids such prisoners in escaping or attempting to escape from custody, shall be held to have committed an offence within the meaning of Section 221 of the Indian Penal Code.

XXVII. Whoever, without due permission, takes or attempts to take, or introduces or attempts to introduce, or throws or attempts to throw, into any part of a Jail or place of confinement, any article prohibited by the Rules to be passed under this Act or communicates or attempts to communicate with any prisoner in any mode contrary to such Rules, shall be liable to be apprehended and brought before a Magistrate, and on conviction shall be liable to a fine not exceeding fifty Rupees, or to

imprisonment, with or without hard labor, for any term not exceeding two months.

XXVIII. It shall be lawful for the Lieutenant-Governor of Bengal, by notification in the Calcutta Gazette, to extend the operation of this Act to any Jail or Jails that may hereafter be placed under the control of the Government of Bengal.

XXIX. This Act shall come into operation on the day of

STATEMENT OF OBJECTS AND REASONS.

In most of the Districts and in many of the Sub-Divisions of Districts under the control of the Lieutenant-Governor of Bengal there are Civil and Criminal Jails for the reception of prisoners committed to Jail by the Civil and Revenue, and by the Criminal Courts respectively. There is also a Central Jail at Alipore, and a Great Jail, comprising a House of Correction, in Calcutta.

Under the Law at present in force the control and superintendence of all District Jails, including the Central Jail at Alipore, are vested in the Magistrate acting under instructions of the Zillah Judge, and subject generally to the orders of the Government. The Magistrate is further compelled by Law to effect a certain classification of prisoners, and he is empowered by Law to punish them for certain breaches of discipline.

Under the authority of the Government an Officer called the Inspector-General of Jails has been vested with the general superintendence and control of all Jails, except the Great Jail at Calcutta, subject to Rules laid down from time to time for his guidance by the Government; the Magistrate still exercising his legal functions in the punishment of breaches of Jail discipline, and the Zillah Judge having practically ceased to exercise any functions except as an occasional official visitor of the Jail.

The House of Correction in the Great Jail at Calcutta is under the authority of the Commissioner of Police for Calcutta, and the rest of the Great Jail is under the authority of the Sheriff of Calcutta; but the Government is empowered to frame Rules for the proper discipline of the whole of the Great Jail.

The special Law, Act IV of 1862, passed by the Lieutenant-Governor of Bengal in Council, which has reference to the Great Jail at Calcutta, will for the present remain unrepealed, and otherwise it is not intended by this Bill materially to alter the Laws and the system now obtaining in the matters of Jail discipline and management.

But doubts have arisen as to the legality of some of the powers that have necessarily been exercised by Officers in charge of Jails. The Laws at present existing are scattered in detached portions throughout the Statute Book from the year 1793 up to this time, and seem to require to be curtailed and amended in some respects, and to be supplemented in other respects, and the Jail system, which has been the gradual growth of years of practical experience, seems to have arrived

at that point that it needs establishment on a firmer legal basis.

The objects, then, of the present Bill are to consolidate, amend, and supplement the Laws and to give a more definite legal basis to the system at present in force in matters of Jail discipline and management.

His Excellency the Governor-General in Council is pleased to sanction the re-publication of the following General Order issued from the Military Department:—

No. 157A. of 1863.—His Excellency the Governor-General is pleased to publish the following Extracts of a Despatch from the Right Hon'ble the Secretary of State for India, No. 311, dated 31st August 1863, regarding the absentee and acting allowances of Military Officers in Civil employ, the provisions of which are applicable to all the Presidencies:—

Para. 31.—With your Despatch No. 23, in the Financial Department, you forward a further Report from the Committee of Secretaries regarding the absentee and acting allowances of Military Officers in Civil employ, with a note thereon by your Financial Secretary.

32.—You concur generally in the recommendations of the Secretaries, with the amendments noted by the Financial Secretary, and propose the adoption of the following principles:—

1st.—That every Military Officer in Civil employ, when on leave, should draw pay under the Military Rules; and

2nd.—That every Military Officer when acting in any Civil appointment should draw his Civil pay under the Civil Rules.

33. Upon these two principles you propose the following Rules for the Officer on leave:—

A Military Officer in Civil employ on leave, either in India or in England, shall draw precisely the pay which he would be entitled to draw under the Military Leave Rules, except when on privilege leave as hereafter specially provided.

Such pay shall be provided from the Civil Department excepting only in cases where the allowances so drawn would exceed the entire Civil pay of the appointment, when the excess will be paid by the Military Department. The Staff salary of any Officer shall be held to be the difference between the Indian pay and allowances of his rank and the full salary of his permanent appointment.

34.—For the Acting Officer your Government proposed the following Rules:—

A Military Officer acting for another in Civil employ shall draw Deputation Allowance under the Rule by which the allowance is granted to Covenanted Civil Servants.

If the Officer be in Military Staff employ such Deputation Allowance will be given in addition to his Military pay and allowances, plus half the Staff pay of his substantive appointment.

If the Officer hold no substantive Staff appointment, Civil or Military, it will be given in addition to his Military pay and allowances.

A Military Officer in Civil employ performing the duties of his substantive appointment, and at the same time officiating in another, is entitled to his substantive salary, and in addition to a Deputation Allowance of 20 and 10 per cent. on the Staff salary of the appointment in which he is officiating, provided the pay of the substantive appointment, with the addition of the Deputation Allowance, does not exceed the pay of the higher appointment.

A Subordinate acting for his principal or for any other Officer at the same Station is not entitled to Deputation Allowance for the first month while so acting, unless he is required to act on two occasions within a brief period (say twelve months), in which case he draws Deputation Allowance for the whole period during which he may have held the appointment in excess of one month as if he had acted continuously.

A Military Officer proceeding from one Civil appointment to another shall be allowed to draw, during the authorized period of transit, out of the salary of the office he is about to join, a sum equal to that of his previous situation. This Rule to be preceded by an order making the Civil Rules for joining time applicable to Military Officers in Civil employ.

A Military Officer in Civil employ can take three months' cumulative privilege leave (under the Civil Rules only), but he must earn it by thirty-three months continuous service in the Civil Department alone.

35. These several Rules are approved of.

(Sd.) H. W. NORMAN, *Lieut.-Col.*,
Secy. to the Govt. of India,
with the Governor General.

2. In accordance with the instructions of the Secretary of State quoted above, His Excellency in Council is pleased to declare that Military Officers transferred from one Civil appointment to another shall, in respect to joining time, be subject to the same Rules as Covenanted Civilians.

3. His Excellency in Council is pleased also to decide that in Departments where appointments are in classes and grades the Deputation Allowances of Military Officers in Civil employ shall be subject to the Rule of limitation contained in Financial Resolution No. 5913 of this day's date.

HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

MY LORD,—WITH the view of obviating delay in the despatch of Invalids and Time-expired Men from India, who may have claims to compensation for clothing, it has been proposed by the Bombay Government that such compensation be not paid until the arrival of the men in this country.

Officer* by whom the disbursement is to be made.
* (The Pay-Master at Netley, or elsewhere.)

3. The Secretary at War sees no objection to the proposed arrangement, and has stated that instructions will be accordingly given to the Pay-Master at Netley, and to the Pay-Masters of Depot Battalions, to make the payments in question.

4. I therefore request, should you see no reason to differ from the views of the Bombay Government, that you will cause the necessary instructions to be issued for giving effect to the arrangement at the respective Presidencies.

The Board, however, reserve to themselves the right of altering these dates should circumstances render it expedient to do so.

The following are the Conditions of Sale :—

1. The Opium will be sold for exportation by Sea only, and no Certificate will be granted except to cover such export.

2. The Opium will be ordinarily offered for sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12 of these Conditions of Sale.

3. The Sale shall commence at the hour of 11 A. M. of the day fixed by previous Notification, and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertised for sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on, until the whole of the remaining lots are disposed of, or, if the whole quantity advertised shall not be sold on the day appointed, the Board may dispose of the lots which remain on hand at a future Sale.

4. Each lot shall contain five Chests.

5. A Promissory Note for a sum calculated

	Deposit.	according to the
When the amount bid is less than Rs. 1,200 per Chest ...	Rs. 200 p. Chest.	scale noted in the margin shall be taken as a deposit on each lot from the Purchaser in the Sale Room, and

And so on, Rs. 100 being added to the Deposit for every additional Rs. 400 bid.		

before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office by Bank of Bengal Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock in the afternoon of the fifth day after the Sale, or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Bank of Bengal Receipts, or deposit of other Public

Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale, as the Board of Revenue shall see fit, and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of sale under the last mentioned condition, if remaining unredeemed at 4 o'clock of the fifth day following the day of Sale, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7. No tender of Money, Bank of Bengal Receipts, or Public Securities, on account of Opium, upon which the prescribed Deposit may not have been made before 4 o'clock of the fifth day following the day of Sale, will be afterwards accepted.

8. The Opium now advertised for sale shall be paid for within fifteen clear days from the day of Sale, and in case any lots of such Opium shall not be so paid for and adjusted, then the Cash Deposit made under the fifth Condition, or any Public Securities that may have been deposited on account of such lots or Chests, shall be forfeited, and the Opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order; and it is to be clearly understood that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10. No deposit of Public Securities under the fifth of the present Conditions will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The Receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when payment in full has been made by the said Purchaser or his Order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time a Deposit either in Government of India Notes, Bank of Bengal Receipts, or Government Securities, a sum equal to the amount for which a Promissory Note would otherwise be taken under the fifth of these Conditions.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time

during the Sale to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bond fide* bidder for a lot, after it has been offered for sale in mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees specified in the second of these Conditions.

13. The Purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same Conditions any number of lots of the same Agency Opium not exceeding altogether twenty-five lots; provided always, that there remain a sufficient number of lots of the Opium to complete the said twenty-five.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

15. The following papers, together with samples of the Opium for sale, will be exhibited for inspection on the day of sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1.—Certificate of the Opium advertized for sale.

No. 2.—Report of the examination of such Opium.

16. The Public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1862-63 the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, viz. two of the Season's provision under sale, and two of the previous Season, will be also shown to the Purchasers in the Sale Rooms on the day of Sale, to enable them to judge of the state of preservation of the drug in the Chests offered for sale.

17. Any further information respecting weight or quality of the Opium advertized for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but, in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred or referred to Chests after the sale and delivery of the Opium for shipment.

18. It is hereby further notified, that, under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand, that out of the quantities of Behar and Benares Opium declared as above for sale at the twelve Sales of the year 1864, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisitions specifying the quantity of Opium required by them at any particular Sale within thirty days from the advertisement of such intended Sale; provided, however, that the Agents of the French Government may make such requisition for the whole quantity within thirty days from the publication of this Notification. If the Agents of the French Government shall not make the requisition for

	Chests.	Opium within the time above mentioned, the entire quantity of about 49,776 Chests of Behar and Benares as above estimated will be brought
Behar	... 27,386

to sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for sale at each or any of the twelve Sales above mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the sale next ensuing the date of payment, or by selling it at a sale to be held expressly for the purpose.

Article of the Convention above referred to.

Article 6th.—“With regard to the Trade in Opium, it is agreed between the High Contracting Parties that at each of the periodical Sales of that Article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests hereinbefore mentioned. The requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta within thirty days after notice of the intended Sales shall have been published in the *Government Gazette*.”
